IS030 - BREAM - BURSE FARM

Implementation of 20mph speed limit along New Road to promote mixed use street, providing connection to High Street.

Upgrade B4231 to provide a dedicated LTN 1/20 compliant cycle track on the southern alignment and new uncontrolled crossing provision to New Road.

Bream

Delivery of a multi-use path linking the B4228 and B4231 with additional wayfinding, rest stops and low-level bollard lighting or solar studs. Surfacing to be of permeable material but suitable for horse-riders, or additional trotting strip to be provided adjacent. Dropped Kerb and Tactile paving improvements to junctions along New Road.
