

ATC104 - A40 FROM NEWENT LANE TO HORSESHOE COTTAGE - HUNTLEY

Review of existing footway width near the Red Lion Pub.

Review need for guard rail on the northern side carriageway of the A40 at the A40 / North Rd signalised junction.

Potential widening of existing footway provision to allow for shared usage at the Newent Lane / A40 junction.

Review need for guard rail on the northern side carriageway of the A40

Potential change access to Huntley Park to provide link into existing footway provisions. Potential widening could allow shared usage and the provision of cycle parking.
