

Vision for the District

For the Forest of Dean District to be a great place to live, work and stay.

Community Outcomes & Objectives

Strong Communities:

- Enable the provision of homes to meet local needs
- Work with partners to:
 - Improve the health and well-being of residents
 - Keep the district safe
 - Promote inclusive and resilient communities

Thriving Economy:

- Work with partners to:
 - Attract investment to grow the local economy
 - Increase tourism to the Forest of Dean
 - Regenerate sites in the district
 - Provide the right skills mix for local employers and potential new employers
 - Improve transport and digital connectivity
 - Deliver planned growth

Enhanced Environment:

- Increase recycling, encourage composting and reduce waste
- Work with partners to:
 - Protect the statutory forest
 - Deliver flood prevention works
 - Promote and improve energy efficiency

Value for Money:

- Drive change, improvement and innovation through partnership working
- Put our customers first through improving access to services
